COLLECTION DESIGNPARK

Product structure and technical data

Our 2-layer ready-made parquet from the **collection Designpark** consists of a 3.5 mm thick oak wear layer and a counter layer of 6.5 mm spruce with standing annual rings.

The surfaces are available untreated, brushed or smooth sanded, oxidative oiled or matt lacquer in natural or white colour.

The left and right strips have a classic tongue and groove profile. The product is offered in two formats and bevelled edges are also possible.
