# COLLECTION DESIGNPARK

## Product structure and technical data

Our 3-layer prefinished parquet from the **DESIGNPARK collection** consists of a 2.6 or 3.5 mm thick oak wear layer, a middle layer of approx. 9 mm and a counter layer of approx. 1.5 mm thick pine.

All floors are available with a **2G click** joint or as a classic tongue and groove product.

The surfaces can be ordered untreated with matt varnish or oxi oiled.

### Specification

Oak ship floor 2, 3 and 4-strip

### Grading

**Naturell:** harmonious mixed assortment, natural appearance with brown spatulated knots and low sapwood content.

### Surface

brushed/smooth, oxi oiled  
matt lacquer natural/white

### Packing

Neutral, wrap-around packaging, with product sticker affixed to the front. Installation instructions and care instructions are included in every other package.
