# COLLECTION DREAM ISLAND

## Product structure and technical data

The **Dream Island Collection** covers a wide and innovative color spectre of high treated surfaces for the conscious design of a personal living space.

An exquisite selection of cottage planks unifies high level quality with perfect aesthetics in highest precision. Oak wood gets a unique treatment with a special oil-wax protection. This modern optic gives every living space a feeling of pleasant warmth and security.

Dream Island modern cottage planks are 15 mm strong and with the dimensions of 190 x 1,900 mm. Thanks to the short sided **drop-down connection** an easy, fast and clean installation for a perfect parquet flooring is guaranteed. The planks are oiled ready to use.

In the Dream Island Collection everybody will find his own individual dream flooring.
