COLLECTION TRADITIONAL

Product structure and technical data

This collection emphasizes the multifaceted and harmonious effect of an oak floor. Specially hand planed surfaces elegantly set every room in scene. At the same time, each plank is truly unique.

The **Traditional Collection** offers a total of eight attractive color variations. In addition to the extraordinary hand planed surfaces, this collection also includes brushed surfaces in modern and interesting color designs.

Whether brushed or hand-planed - every floor from the Traditional collection is expressive and thus gives every room a naturally pleasant living atmosphere.

Installation is also quick and easy thanks to the patented drop-down-click connection.
