COLLECTION TRADITIONAL XL

Product structure and technical data

The Collection TRADITIONAL XL beautifully places natural originality at your feet. This collection contains generous castle floorboards in rustic assortment. The five noble color variations are treated with natural oil ready for use. Thanks to the attractive length-width ratio of 2,200 x 260mm, each plank has a special aura that can be felt in every room. Whether the noble appearance of oak in

white or in a warm chocolate tone - this collection is lived individualism and brings a lot of freedom into the living room.

Thanks to the patented drop-down-click system, the floor can also be laid quickly, cleanly and very easily.

SafeTop[®] technology stands for highest standards in surface processing. It is the perfect finishing to fulfil the wish for a natural raw timber effect.

The oxidative oiled surface is extremely matte and conserves the natural optics without any intensification. The flooring has an end finishing and can be used directly after the installation.
